Associate of Arts

Award: Associate of Arts
Total Credits for Award: 60.00

Description:
The Liberal Arts program offers courses to complete the A.A. degree in Liberal Arts or the Minnesota General Education Transfer Curriculum (MnTC). MnTC is an agreement among all Minnesota two- and four-year public colleges and universities to help students transfer between schools. The MnTC is a commitment by these schools to accept specified general education coursework transferred from other participating institutions. Completion of the 40-credit MnTC at Minneapolis College can be applied toward the A.A. in Liberal Arts at Minneapolis College or transferred to another school. Planful selection of additional coursework at Minneapolis College enables a student to complete the first 2 full years toward a baccalaureate degree at another college or university.

COURSE REQUIREMENTS: FIRST SEMESTER:
Associate in Arts Degree

As governed by Minneapolis College Policy 3.05 and 3.09, students seeking an associate of arts (A.A.) degree from Minneapolis College must successfully complete a total of 60 college-level credits as outlined below.

MnTC Requirements: 40 Credits

Students must successfully complete a total of 40 credits of coursework in all MnTC goal areas as follows:

See Minnesota General Education Transfer Curriculum Competencies for the list of eligible courses. One course may meet more than one MnTC Goal Area; however, credits may only be counted once.

All students pursuing this degree should work closely with their advisor and consult with the intended transfer institution to ensure proper selection of required courses, and required Minnesota Transfer Curriculum courses, and MnTC electives.
