

## Transfer Agreements

Minneapolis College has a defined pathway to earn a two-year associate degree from Minneapolis College then seamlessly transfer to Augsburg University to complete a bachelor's degree. Full details about the Auggie Plan can be found [here](#).

The following Minneapolis College programs have transfer agreements with other colleges and universities. Full transfer agreements can be found [here](#).

| <b>Minneapolis College Program</b>                          | <b>Minneapolis College Degree</b> | <b>Transfer Institution</b>        | <b>Program</b>         | <b>Degree</b>  |
|-------------------------------------------------------------|-----------------------------------|------------------------------------|------------------------|----------------|
| Associate of Applied Science                                | A.A.S.                            | Metropolitan State University      | Individualized Studies | B.A. or B.A.S. |
| Associate of Fine Arts                                      | A.F.A.                            | Metropolitan State University      | Individualized Studies | B.A. or B.A.S. |
| Associate of Science                                        | A.S.                              | Metropolitan State University      | Individualized Studies | B.A. or B.A.S. |
| Accounting Transfer Pathway                                 | A.S.                              | Saint Mary's University, Minnesota | Accounting             | B.S.           |
| Addiction Counseling                                        | A.S.                              | Saint Mary's University, Minnesota | Applied Psychology     | B.A.S.         |
